Advance

A spark of  
**excellence**

# Set yourself apart

Differentiating with the latest innovations in advanced clinical performance and personalized patient experience is essential to meet the challenges of today's demanding practices. In addition you require a highly advanced productivity solution together with a solid return on investment.

## **Revolutionize** your diagnostic capability

We understand your challenges to increase your clinical capabilities and to fulfill your needs for highly advanced clinical functionality and performance to create outstanding value. Philips is committed to offer innovative solutions that answer these challenges. Our top line, Diamond Select Advance refurbished systems, offers exceptional performance levels close or equal to Philips' latest models, providing outstanding value for money.

## **Responsive** investment

Your aim is to optimize your return on investment through access to advanced clinical applications and features for a broader patient population. The value of Philips advanced imaging and interventional systems extends beyond technology. You get access to our financing solutions, educational programs and service organization to help you get the most out of your system.

“ Philips’ mission is to improve people’s lives through meaningful innovation. This mission inspires us to find solutions for improving care at low cost.”

## Exceptional performance for a new era

Efficient workflows and system uptime are critical success factors in running an effective healthcare business for now and in the future. The Diamond Select Advance Program offers extensive serviceability combined with Philips’ world-class services.

## Valued Cooperation

With Philips at your side you get the most out of your investment. Together we bring the most value to your patients. With Diamond Select Advance you will benefit from extensive training conducted by experienced applications specialists; local support through our global sales and service organization; a full system warranty; and financial programs that can help you meet your business goals.

“ You want to be responsive to the needs of your environment; the upgradeability of Diamond Select Advance systems allows you to remain on the front edge and continue to offer the best care to your patients. Diamond Select Advance solutions are clinically, operationally and economically sound for your business also on the longer term.”
