# Highlights

## Easy to fit

Choose the cushion so the pillows cushion blue gel bases sit comfortably under the nose without any gaps. Only the soft silicone tip should be inside your nostrils. Do not push any part of the blue gel base inside your nose.

## Innovative design

Less discomfort on the face, nose and nostrils. Users rated DreamWear Gel Pillows more comfortable than their prescribed mask.

## Innovative design

Easy to use with one modular frame for all cushion sizes.

## Modular design

Modular design for quick assembly and cleaning, with interchangeable pillows and nasal cushions.
