HH1139/00

## Performance has a new style.

The 'tip-of-the-nose' cushion is designed to sit below your nose bridge, making minimal contact with your face while creating an optimal seal.

### Easy to use

- The headgear clips and mask cushion contain magnets
- Standard Pack fit with everything you need

### Open field of vision

- Read, watch TV, or wear glasses

### Compact design

- Auto seal cushion technology

### Performance and comfort

- Provides for quick and easy fitting and adjustment.

# Highlights

## Standard Pack

The Wisp Standard Pack comes with 3 cushion sizes (small/medium, large, and extra large), Fabric frame, standard headgear, and magnetic clips.

## Greater independence

Wisp's sleek design eliminates the need for a forehead pad, offering you a better field of vision.

## Compact design, natural fit

The 'tip-of-the-nose' cushion is designed to sit below your nose bridge, making minimal contact with your face while creating an optimal seal.

## Minimal design, optimal seal

The design and headgear clips make it easier to use and clean.

## Magnetic clips

Contact your healthcare professional before you use this mask. Some medical devices may be affected by magnetic fields. The magnetic clips in this mask should be kept at least 2 in. (50mm) away from any active medical device with special attention to implanted devices such as pacemakers, defibrillators and cochlear implants. Read in-pack IFU's for more information.
